

AUTHORIZATION FOR RELEASED TIME
(Other than Religious Release)

According to School District #25 policy, students in grades 9-12 may be excused from school for **ONE** period during a semester. This released time period includes religious study, work or a parental authorized release.

No credit will be awarded by the school or school district for any courses completed during such released time.

Released time is a privilege. Students are not to be on campus and/or disrupting the educational process. If this occurs, a truancy and/or major discipline may be issued.

We, the parent/guardians of _____
request that our student be allowed to have one period of release time for the following reason:
